

# MY MEDICAL SCHOOL MENTALITY

LET'S BE REAL... MED SCHOOL IS TOUGH. ESPECIALLY WHEN YOU GET ADVICE LIKE...

ALWAYS SAY YES AND TRY TO ACT LIKE THE NEXT POSITION ABOVE YOU TO GET AN HONORS!

IT IS JUST  
**A LOT**  
TO BALANCE.

I WAS ALWAYS TRYING TO 'BE PRESENT' AND 'SHOW OFF' TO ATTENDINGS AND RESIDENTS WHICH LED ME TO FEEL...

BUT THEN AN ATTENDING TOLD ME SOMETHING I REALLY NEEDED TO HEAR.

MEDICAL SCHOOL HAS BEEN A ROLLERCOASTER RIDE OF EMOTIONS...

BUT... THROUGHOUT THE PAST FEW YEARS, I HAVE GAINED...

FRIENDS

SKILLS

PURPOSE

IT'S STRESSFUL TO BE 'ON' OR 'THE BEST' ALL THE TIME. BUT, A SURGEON ONCE SAID TO ME...

CAN I SCRUB INTO YOUR SURGERY?

DO I PAY YOU TO BE HERE OR DO YOU PAY? YOU CAN BE IN WHATEVER YOU WANT!

SO MAKE THE MOST OF WHAT YOU WANT AND ENJOY THE RIDE!
